With a beautifully smooth and soulful voice, Jazz-Folk vocalist & bandleader Jean Lenke paints music in glorious full color, approaching her canvas with broad strokes and a free hand. Launching her musical career late in life, Jean's music is influenced by an eclectic mix of genres that span generations. Having recently made her home in the Pacific Northwest, she celebrates all the shades and hues life brings to this wild & beautiful region.

As bandleader with a full 6-piece Band & smaller ensembles, Jean artfully mixes classic Swing & Latin Jazz, with West Coast Blues, Surf, Boogaloo and free spirited 60's & 70's Folk-Rock & Jazz-Rock ~ celebrating love & life ~ familiar, yet slightly off center, with haunting appeal..

Jean's 2019 debut album "Restless", recorded in Philadelphia is a journey through loved's ups and downs - stories of restlessness and resilience, feelings beautifully expressed and set free!

2024 will bring the release of a brand new project, "The Sea, The Sky", celebrating life in Jean's new Northwest home & honoring some of her most beloved Folk & Jazz artists as well as a special short release series honoring Women Composers & Lyricists!

"Living these past few years in the Northwest has changed my perspective. It's a wild wild world out here full of beautiful landscapes, dark shades and hues. I'm living life fully, taking big risks, and honoring my heart!" ~ Jean Lenke
